A night scene of a street. In the foreground, a small fire is burning on the ground, illuminated by a street lamp. The fire is a small, bright orange flame. The street is dark and covered with fallen leaves. In the background, there are trees and a building with some lights on. The overall scene is dark and atmospheric.

RELEVANTE ANVENDELSESOMRÅDER

Steder hvor VR giver mening	Eksempler
Situationer med høj risiko	Evakuering / Brand / Farligt arbejde
Situationer som er svært tilgængelige	Internationale rumstation / Maskinrum
Fremtidsscenarier	Nyt kontor / Nyt arbejdsmiljø / Ny proces
Procedure træning	Skift en komponent / Brug et værktøj
Onboarding	Ny i jobbet / Introduktion til arbejdet
Stressfulde situationer / emotionelt	Mus-samtalen / Job samtalen
